

Business Acceleration Masterminds! Membership Application

Welcome to Empowered Leadership Cultivation and congratulations on taking yourself and your business to the next level (or 10). You are becoming part of a dynamic, driven group of professionals and business owners with integrity, excellence, and momentum who are committed to helping each other and themselves achieve ongoing success and significance!

Membership Commitments:

You commit by signing this application, that you will do the following:

1. Begin your membership on the month indicated on the application.
2. Participate fully in all scheduled group meetings and one-to-one coaching sessions each month. My estimate of workload for you in your business is about 1 day to 1.5 days per month to really work “on” your business, instead of “in” it.
3. Share your experiences, knowledge, and wisdom with your Masterminds group members, both in and outside of the group meetings within reason.
4. Maintain absolute confidentiality regarding all issues, facts, situations, circumstances shared among members. This is paramount to the true success of the group. It also includes seemingly mundane details that you may not think are significant but could become so if not handled with the utmost confidentiality and respect. This includes information provided by your leader, Trisha Squires, and any of her affiliates, partners, interns, and team members.
5. Provide 2 pre-qualified referrals per year for new members that you believe would benefit from the Business Acceleration Mastermind! experience.

6. Have an open mind. People grow in many ways, but one of them is through vulnerability and change.
7. Enjoy the process; this is about loving the process and the journey too. Intend to have fun.

Terms & Conditions to Membership:

1. There is no enrollment fee. Your first month's membership fee will be charged to your credit card at the first of every month, starting with the month of your first meeting. Every subsequent month's fee will be charged the first of each month.
2. You commit to a one year membership by signing this application. Great results take some foundation. Members wishing to leave the Business Acceleration Mastermind! will give the leader, Trisha Daho, three month's written notice.
